Amazing Pebble Pets!

One of our incredibly talented mums has been very busy creating "pebble pets" which she is kindly selling on behalf of FoPS - they really are incredibly cute and unique, and we are so grateful for all her hard work.

Each pebble is hand painted and comes with a cardboard shelter template for your child to colour and then assemble.

This is a really fun way for your child to create their own shelter for their pebble-animals, to name them and to find many ways of playing with these cuties.

They would make ideal stocking fillers for Christmas!

Please see our Facebook page for an up to date list of which stones are available.

ADOPT A PEBBLE PET

FoPS is happy to show you a new fun and imaginative project for children! It's a fun activity for them to enjoy. Can be offered as a Christmas gift, birthday gift or simply as a fun way to play.

They're cute, they're unique and so cheerful!

They're the Pebble Pets! Dogs, cats, giraffes, unicorns, llamas, bears, foxes, tigers, ladybugs, sheep, penguins, owls, polar bears, elephants and many more!

We created these hand painted pebbles using acrylic paints and permanent markers, finished with a transparent layer of sealer for a timeless wear. Each animal comes with a blank shelter template for your child to colour it in however they like. Easy to follow instructions are also included.

The price is £4 for a package including an animal of your choice and the shelter template. Please check our Parkland Fops & Parent Council Facebook group for all animals.

If you'd like one of these cuties please send us a message at fops.parkland@gmail.com or on Facebook at [cristinastaicufashion](#) page.

We'll bring your orders to school, either in the morning or afternoon.

Your support is much appreciated! Thank you!
